Tim and Tom,

Just wanted to send a reminder that Courtney and I were still planning to be present for the meeting this Wednesday at 10 Central with the EC Director of Utilities. Also, do you know if the time for the Zone 3 public meeting on Saturday Sept. 24th has been firmed up yet? Thanks.

Tim should be there. Also, I think we are having a public meeting on the 24th (Sat) for zone 3. I think?

Tom,

I am planning to attend this meeting on the 14th in East Chicago. Courtney Arango, our Communications Director, is also likely to join me.

Tom:

Thanks for forwarding this list. Right now, September 14 or 15th are open dates on my schedule. My preference is for a morning meeting, so let's plan for September 14th at 10 am. We can meet at my office which is located at the East Chicago Sanitary District, 5201 Indianapolis Blvd.

Please confirm if that time will work for you.

Thanks,

Greg

Gregg,

Below is a list of the initial properties we plan to remediate this fall. We may add a few others if the weather cooperates. I will send you a copy of the Remedial Design for these properties next week. I would hope we could have a meeting either September 14 or September 15 to discuss the remediation of these properties and Zone 1 future use. Tim and I look forward to working with you.
